

AFRAID
about your freight?

CARGO

With the Atlas Cargo facility, we can provide a customized coverage program for your organization unlike anybody else. Whether you are a large wholesaler, logistical distribution company, exporter or any other company responsible for commodity transportation, irrespective of whether these commodities are vehicles, building material, dry or frozen food, petrochemicals or any other commodity.

The Atlas Cargo program is not merely an insurance policy, but a complete turnkey service solution backed by years of experience, talented professionals and the most advanced techniques, to assist your organization in determining what is best for you!

Our services include a fully automated paperless online system allowing the customer full independence, the ability to produce his or her own certificates and more. Our rates are based on a worldwide facility, allowing for competitive pricing as compared to traditional local underwriters. Our markets have a proven claims paying reputation

and our customers' testimonial statements and years of satisfaction are our best advertisement.

Please feel free to visit our website or e-mail us for an obligation free quote on your cargo.
